

LOVE AT FIRST SIP

Our wine list reflects the same philosophy as our kitchen:
pure, honest, and respectful of origin.

We begin close to home with surprising Dutch wines and gradually expand into Europe, always in search of character, craftsmanship, and harmony with our dishes.

Just as with our ingredients, we follow the layers of the onion:
from our own Dutch soil to the surrounding wine regions,
occasionally a little further when the grape or its story is
truly worth it.

This selection has been carefully curated with an eye for
terroir, sustainability, and balance of flavour.
Wines that complement our dishes, reflect our philosophy,
and suit the moment.

Our hosts and hostesses are happy to assist you in making a
choice. For every dish on our menu, we have created a suiting
wine recommendation.

In doing so, we ensure that wine and food enhance one
another and that the story on your plate and in your glass
come together seamlessly.

Taste the layers. Taste the origin. Taste Gusta.
